

Gilbert Smith Forest Products Ltd.

Assistant Forestry Supervisor – Summer 2024

Here is an exciting summer opportunity for a student enrolled in a forestry or natural resource program who is looking to expand their knowledge, gain experience in woodlands activities and develop new skills that support the delivery of a stable fibre supply for manufacturing excellence!

The Company

Gilbert Smith Forest Products Ltd. is a family owned and operated wood products company. With over 65 years of speciality product experience and over 100 years of family history in the industry, we have the experience and proven track record of a reliable producer of high-quality products. Gilbert Smith is deeply connected to our local communities, indigenous partners, and employee families. These relationships are the foundation of our business. We are uncompromising in integrating safety into all we do and believe that by being creative and innovative we can sustain forests for future generations.

The Location

Gilbert Smith Forest Products Ltd. is located in beautiful Barriere, BC. The position will be based out of Barriere or Clearwater, BC.

<https://norththompson.ca/>

North Thompson Valley British Columbia —Come work and play in an untamed wilderness — in the heart of British Columbia's central interior.

The Position:

You will have opportunity to gain skills through assigned roles and responsibilities within a team environment in the silviculture, planning, and operations aspects of the business, with an emphasis on gaining a wide range of practical experience in forestry closely tethered to a speciality manufacturing facility.

Reporting to the Forestry Supervisors, the Assistant Forestry Supervisor will work with a team of professionals responsible for all woodlands activities. You will enjoy exposure to all aspects of the supply chain process.

“Specializing in Cedar Lumber”

Box 689, Barriere, B.C. V0E 1E0 ■ Telephone: 672-9435 or 672-9727 ■ Fax: 672-5644

Specific Duties:

- Tree planting implementation and supervision.
- Silviculture surveys.
- Assist with timber reconnaissance / road and block layout.
- Cable and conventional harvest system field engineering.
- Boundary marking.
- GPS and tight chain traversing.
- Riparian assessments.
- Appraisal data collection / site plan data collection.
- Road inspections.
- Data entry.
- Other woodlands functions as required.

Skills and Experience:

- Will have a strong commitment to safety.
- Must hold a valid Drivers Licence and be able to produce a Driver's abstract upon request.
- Applicants should be physically fit; the position requires field work in all weather conditions.
- Must be self-motivated with strong organizational and communication skills; applicants will be expected to work independently and as a team.
- Preference given to students enrolled in a Forestry or Natural Resource Program.

GSFP provides a competitive compensation package. We offer a friendly, professional work environment where your work will be recognized and appreciated.

If you are ready to build your career in a challenging development opportunity, submit your cover letter, addressed to Craig Hewlett, and resume to tthompson@gsfpcedar.com. Please use "Assistant Forestry Supervisor – Summer 2024" in your subject line. For more information about Gilbert Smith, visit our website at www.gsfpcedar.com.

We thank all candidates for their interest, however, only those selected for an interview will be contacted. Closing date November 17, 2023.
