

DWB Consulting Services Ltd.

Engineering | Environmental | Forestry

Let's make it happen.

DWB is a dynamic, multidisciplinary consulting firm that specializes in offering a full suite of value-added environmental, engineering and forestry services to our clients in Western Canada. Since 1990, DWB has grown from a small family run business to a multi-faceted company with over 150 staff in offices throughout British Columbia.

Employment Opportunity: FORESTRY STUDENTS

DWB is hiring! We are currently seeking applications for full time and seasonal forestry staff in our Prince George, Burns Lake, Williams Lake and Chetwynd offices. We're hiring students, crew leads and field supervisors for positions that will have a start date in May 2024.

DWB can offer you a solid foundation to launch your forestry career. As these are field positions, you must be ready to show your tough side. You will be working long hours in remote locations, in all weather conditions. The work is physically and mentally demanding, but you will learn a lot about yourself and how to work in a team environment. We promise, living in camp and working in the field will provide you with stories to share around many campfires!

QUALIFICATIONS:

- No experience is necessary to apply; however, applicants with relevant experience will be considered for higher level positions.
- Current student or graduating from a natural resources related program.
- Passion for working outdoors
- Work well on a team
- Safe working mindset
- Valid Class 5 driver's license

YOUR ROLE:

- Block boundary and road layout
- Timber reconnaissance
- Timber cruising
- Riparian assessments
- Ecological data collection
- GPS data collection and road traversing
- Engineered Cost Estimates
- Shift specific opportunities to work in our environmental department

DWB offers a competitive salary, travel allowance, year end bonus and end of summer bonus of up to \$1000. For full time, eligible employees, we also offer a health benefits package, moving allowance, professional association fee compensation and continuing education opportunities. Housing opportunities are available to both students and full time employees at some of our Northern divisions. DWB sponsors annual company trips for their full time employees including ocean fishing charters, Okanagan wine tasting tours, fly-in remote hunting trips, and more!

Please email a resume (with references) and cover letter to the below email with "Forestry Summer Student" in the subject line.

Laura Kozak, RPF, RPBio
lkozak@dwbconsulting.ca

DWB would like to thank all those that apply but will only be contacting those candidates who are short-listed for an interview.

Closing Date for receipt of resumes: **October 30, 2023**
