## FOREST PROFESSIONALS / FIELD TECHNICIANS

### WHO WE ARE

**Silvicon Services Inc.** is a well-established and successful forest management consulting firm. Our experienced and highly motivated forest management team has provided high-quality, professional, and technical woodlands services to forest licensees, indigenous groups, government agencies, and individuals in British Columbia and Alberta since 1980. We offer a competitive wage, quality training, mentorship, and a supportive and fun work environment.

### WHERE WE ARE

**Welcome to the beautiful town of Smithers,** enjoy the quality-of-life Northern BC has to offer in a vibrant mountain town of five thousand people. With hiking, fishing, skiing, mountain biking, farmer's markets, music festivals, and two breweries, you'll have no problem finding things to do on your days off. Located amongst a mix of different forest types, with coastal influenced forests to the west, and pine spruce fir interior forests to the east, the area offers plenty of adventure, and is home to a diverse community of people!

### WHO YOU ARE

**You are independently motivated, physically fit, think outside the box and work well in a team environment.** You employ a strong work ethic and even an even better sense of humor. You enjoy working outdoors day in and day out. You learn quickly, are open to new ways of doing tasks, are flexible and strive for outstanding production. You are willing to take on new opportunities to gain incredible forestry experience which will lead to more responsibility and job fulfillment.
