

Job Opportunity: Treeplanting

Company: Apex Reforestation

Season: April 27th- August 16th

Location: Travel throughout the province living in a remote camp . Cache Creek, Quesnel, Ft. St. James, Mackenzie.

Wage: Tree planting is piece work, you will earn 16.5-25c per tree depending on the contract and the land.

Camp: ~100 people, warm showers, hot meals, laundry, dry tent, and WIFI. No Camp Cost.

Schedule: 3 days on 1 day off. ~70 working days in a season.

My name is Jackson Potter and I am running a six-person crew for Apex Reforestation. I'm looking for motivated, athletic people to join my crew for Summer 2024. This is my fourth year with Apex and I am excited to build a strong crew that exceeds production and has an amazing summer experience.

Tree Planting is ideal for financially motivated individuals looking to challenge themselves. It is extremely demanding but it is also very rewarding in terms of personal growth and compensation. We are a large social camp, with a good work life balance. I'm happy to provide more details and answer any questions, please address inquiries to the email address below.
