

DEPARTMENT OF WOOD SCIENCE
Job Posting: Teaching Assistants
Period: Winter Term 1 (September 1, 2024 to December 31, 2024)

INSTRUCTOR: Dr. Shawn Mansfield

COURSE #: FRST 311

COURSE NAME: Plant Physiology

TOTAL NUMBER REQUIRED: 1

REQUIRED QUALIFICATIONS:

Must have completed undergraduate courses in Plant Physiology and should preferably be doing a graduate degree in this area.

DESCRIPTION OF GENERAL NATURE OF DUTIES:

Assisting students at lab stations (first part of term) and with independent lab projects (latter part of term).
Marking lab reports.

HOURS ALLOTTED TO EACH COMPONENT OF JOB DUTIES: Average of 6 Hours of work per week

ADDITIONAL REQUIREMENT: VALID WORK PERMIT and S.I.N.

In addition, it is strongly recommended that all TAs take the Graduate Instructional Skills Workshop offered by the UBC Centre for Teaching, Learning and Technology.

INVIGILATION ASSIGNMENTS DURING EXAMINATION PERIODS ARE A PART OF THE DUTIES OF A TEACHING ASSISTANT. MARKERS ARE NOT REQUIRED TO INVIGILATE.

STIPENDS: Hours and Rates are established by contract between UBC & the TA. Union, CUPE Local 2278.

GTA 1	\$38.99/HR
GTA 2	\$37.53/HR
UTA	\$25.63/HR

These rates will be adjusted to reflect changes in the current collective agreement between CUPE Local 2278 and the University should any changes be made.

Please submit your application through the TA Application System at <https://applications.forestry.ubc.ca/> by **April 30, 2024**.

Students are members of the Bargaining Unit (CUPE Local 2278) from the time that they are appointed.

Equity and diversity are essential to academic excellence. An open and diverse community fosters the inclusion of voices that have been underrepresented or discouraged. We encourage applications from members of groups that have been marginalized on any grounds enumerated under the B.C. Human Rights Code, including sex, sexual orientation, gender identity or expression, racialization, disability, political belief, religion, marital or family status, age, and/or status as a First Nation, Métis, Inuit, or Indigenous person.

DEPARTMENT OF WOOD SCIENCE
Job Posting: Teaching Assistants
Period: Winter Term 1 (September 1, 2024 to December 31, 2024)

INSTRUCTOR: Mr. Vincent Leung

COURSE #: WOOD 120

COURSE NAME: Introduction to Wood Products and Global Trade

TOTAL NUMBER REQUIRED: 1

REQUIRED QUALIFICATIONS:

A full-time student registered in the Department or Faculty or a full-time student registered in the Faculty of Graduate Studies in an interdisciplinary program. Knowledge of the Canadian Forest Industry.

DESCRIPTION OF GENERAL NATURE OF DUTIES:

Responsible for marking lab reports, assignments, and term papers, supervising field trips, assist with running labs and general support for the instructor.

HOURS ALLOTTED TO EACH COMPONENT OF JOB DUTIES: Average of 5 Hours of work per week

ADDITIONAL REQUIREMENT: VALID WORK PERMIT and S.I.N.

In addition, it is strongly recommended that all TAs take the Graduate Instructional Skills Workshop offered by the UBC Centre for Teaching, Learning and Technology.

INVIGILATION ASSIGNMENTS DURING EXAMINATION PERIODS ARE A PART OF THE DUTIES OF A TEACHING ASSISTANT. MARKERS ARE NOT REQUIRED TO INVIGILATE.

STIPENDS: Hours and Rates are established by contract between UBC & the TA. Union, CUPE Local 2278.

DEPARTMENT OF WOOD SCIENCE
Job Posting: Teaching Assistants
Period: Winter Term 1 (September 1, 2024 to December 31, 2024)

INSTRUCTOR: Dr. Carellin Brooks / Dr. Neil Leveridge

COURSE #: WOOD 225

COURSE NAME: Communication Strategies

TOTAL NUMBER REQUIRED: 2

REQUIRED QUALIFICATIONS:

A full-time student registered in the Department or Faculty or a full-time student registered in the Faculty of Graduate Studies. Must have excellent written and oral communications skills, and a strong understanding of grammar and composition as well as professional and scientific writing. Should have a general understanding of important issues related to forestry and/or wood products processing.

DESCRIPTION OF GENERAL NATURE OF DUTIES:

Marking of assignments is required, and the TA is expected to provide detailed feedback to students regarding their writing and communication skills. The TA will also provide additional assistance and guidance in the writing workshop, usually attending one workshop a week per section. Some preparation of course materials may be required. Instructor support as requested. TA is expected to hold office hours to provide students with one-on-one support. Attending and participating in marking meetings to ensure consistency in grading practices will be required.

HOURS ALLOTTED TO EACH COMPONENT OF JOB DUTIES: Average of 5.5 Hours/week for each Section

ADDITIONAL REQUIREMENT: VALID WORK PERMIT and S.I.N.

In addition, it is strongly recommended that all TAs take the Graduate Instructional Skills Workshop offered by the UBC Centre for Teaching, Learning and Technology.

INVIGILATION ASSIGNMENTS DURING EXAMINATION PERIODS ARE A PART OF THE DUTIES OF A TEACHING ASSISTANT. MARKERS ARE NOT REQUIRED TO INVIGILATE.

Please submit your application through the TA Application System at <https://applications.forestry.ubc.ca/> by **April 30, 2024**.

Students are members of the Bargaining Unit (CUPE Local 2278) from the time that they are appointed.

Equity and diversity are essential to academic excellence. An open and diverse community fosters the inclusion of voices that have been underrepresented or discouraged. We encourage applications from members of groups that have been marginalized on any grounds enumerated under the B.C. Human Rights Code, including sex, sexual orientation, gender identity or expression, racialization, disability, political belief, religion, marital or family status, age, and/or status as a First Nation, Métis, Inuit, or Indigenous person.

DEPARTMENT OF WOOD SCIENCE
Job Posting: Teaching Assistants
Period: Winter Term 1 (September 1, 2024 to December 31, 2024)

INSTRUCTOR: Dr. Taraneh Sowlati

COURSE #: WOOD 492

COURSE NAME: Modelling for Decision Support

TOTAL NUMBER REQUIRED: 2

REQUIRED QUALIFICATIONS:

A full-time student registered in the Department or Faculty or a full-time student registered in the Faculty of Graduate Studies in an interdisciplinary program. Must have a good knowledge of mathematical programming and Monte Carlo simulation.

DESCRIPTION OF GENERAL NATURE OF DUTIES:

Provide assistance during lab sessions, mark assignments and reports, assist in preparing assignments/projects, and provide general assistance to the instructor.

HOURS ALLOTTED TO EACH COMPONENT OF JOB DUTIES: Average of 5-11 Hours of work per week

ADDITIONAL REQUIREMENT: VALID WORK PERMIT and S.I.N.

In addition, it is strongly recommended that all TAs take the Graduate Instructional Skills Workshop offered by the UBC Centre for Teaching, Learning and Technology.

INVIGILATION ASSIGNMENTS DURING EXAMINATION PERIODS ARE A PART OF THE DUTIES OF A TEACHING ASSISTANT. MARKERS ARE NOT REQUIRED TO INVIGILATE.

STIPENDS: Hours and Rates are established by contract between UBC & the TA. Union, CUPE Local 2278.

GTA 1	\$38.99/HR
GTA 2	\$37.53/HR
UTA	\$25.63/HR

These rates will be adjusted to reflect changes in the current collective agreement between CUPE Local 2278 and the University should any changes be made.

Please submit your application through the TA Application System at <https://applications.forestry.ubc.ca/> by **April 30, 2024**.

DEPARTMENT OF WOOD SCIENCE
Job Posting: Teaching Assistants
Period: Winter Term 2 (January 1, 2025 to April 30, 2025)

INSTRUCTOR: Dr. Carellin Brooks / Dr. Neil Leveridge

COURSE #: WOOD 225

COURSE NAME: Communication Strategies

TOTAL NUMBER REQUIRED: 3

REQUIRED QUALIFICATIONS:

A full-time student registered in the Department or Faculty or a full-time student registered in the Faculty of Graduate Studies in an interdisciplinary program. Must have excellent written and oral communications skills, and a strong understanding of grammar and composition as well as professional and scientific writing. Should have a general understanding of important issues related to forestry and/or wood products processing.

DESCRIPTION OF GENERAL NATURE OF DUTIES:

Marking of assignments is required, and the TA is expected to provide detailed feedback to students regarding their writing and communication skills. The TA will also provide additional assistance and guidance in the writing workshop, usually attending one workshop a week per section. Some preparation of course materials may be required. Instructor support as requested. TA is expected to hold office hours to provide students with one-on-one support. Attending and participating in marking meetings to ensure consistency in grading practices will be required.

HOURS ALLOTTED TO EACH COMPONENT OF JOB DUTIES: Average of 5.5 Hours/week for each Section

ADDITIONAL REQUIREMENT: VALID WORK PERMIT and S.I.N.

In addition, it is strongly recommended that all TAs take the Graduate Instructional Skills Workshop offered by the UBC Centre for Teaching, Learning and Technology.

STIPENDS: Hours and Rates are established by contract between UBC & the TA. Union, CUPE Local 2278.

GTA 1	\$38.99/HR
GTA 2	\$37.53/HR
UTA	\$25.63/HR

These rates will be adjusted to reflect changes in the current collective agreement between CUPE Local 2278 and the University should any changes be made.

Please submit your application through the TA Application System at <https://applications.forestry.ubc.ca/> by **April 30, 2024**.

Students are members of the Bargaining Unit (CUPE Local 2278) from the time that they are appointed.

Equity and diversity are essential to academic excellence. An open and diverse community fosters the inclusion of voices that have been underrepresented or discouraged. We encourage applications from members of groups that have been marginalized on any grounds enumerated under the B.C. Human Rights Code, including sex, sexual orientation, gender identity or expression, racialization, disability, political belief, religion, marital or family status, age, and/or status as a First Nation, Métis, Inuit, or Indigenous person.
