

Now Hiring Forest Professional

Who
WE are

Silvicon Services Inc. is a well-established and successful forest management consulting firm. Our experienced and highly motivated forest management team has provided high-quality, professional, and technical woodlands services to forest licensees, indigenous groups, government agencies, and individuals in British Columbia and Alberta since 1980. We are looking to grow our scope and capacity of work to provide additional services and diverse work opportunities for our staff.

Where
WE are

Welcome to the beautiful town of Smithers!

Smithers is a small vibrant mountain town of five thousand people located in Northern BC. With hiking, fishing, skiing, mountain biking, golfing, farmer's markets, music festivals, and two local breweries, you'll have no problem enjoying the community on your days off.

Who
YOU are

Join our team if you're a self-motivated, physically fit, and adaptable individual with a passion for outdoor work. You thrive in a team environment, bring a strong work ethic and a great sense of humor, and are eager to learn and grow. If you're open to new challenges and excited about gaining hands-on forestry experience with opportunities for greater responsibility, we want to hear from you!

What
to EXPECT

- Career development opportunities
- Manage timber development projects
- Provide junior staff with mentorship
- Dog-friendly!
- An uplifting and diverse work environment
- Comprehensive benefit package
- RRSP contributions after 3 years of employment

Forest Professional
