*Haven't landed that interview? Don't worry – we're here to help!*

The world is changing and so has hiring.

Each year, YMCA employment programs help young adults (just like you!) reach their potential. We provide career-related work experiences in various sectors, and support young, motivated professionals to: build skills; develop confidence; and integrate into the Canadian labour market.

### **To participate in this program, youth must meet the following eligibility criteria:**

- 15 to 30 years of age;
- Canadian Citizen, Permanent Resident, or a person on whom Conventional Refugee status has been confirmed;
- Live in Greater Vancouver or Fraser Valley region in B.C., Canada;
- Have a Social Insurance Number and be legally eligible to work in Canada;
- Be unemployed and not in full-time school; and
- Be experiencing one (or more) barrier to gaining or maintaining employment.

### **How to get started:**

Email our Youth Employment Staff Team at [yeb@gv.ymca.ca](mailto:yeb@gv.ymca.ca) to register for an information session. An Employment Coach will be in touch to kick-start your next employment journey and help you land that next job.
